

Interface Numbering

Figure 1 shows the mapping of the Ethernet ports to virtual network interface (VNI) numbering for the CSG350 appliance.

Figure 1: CSG350 Port-to-VNI Mapping

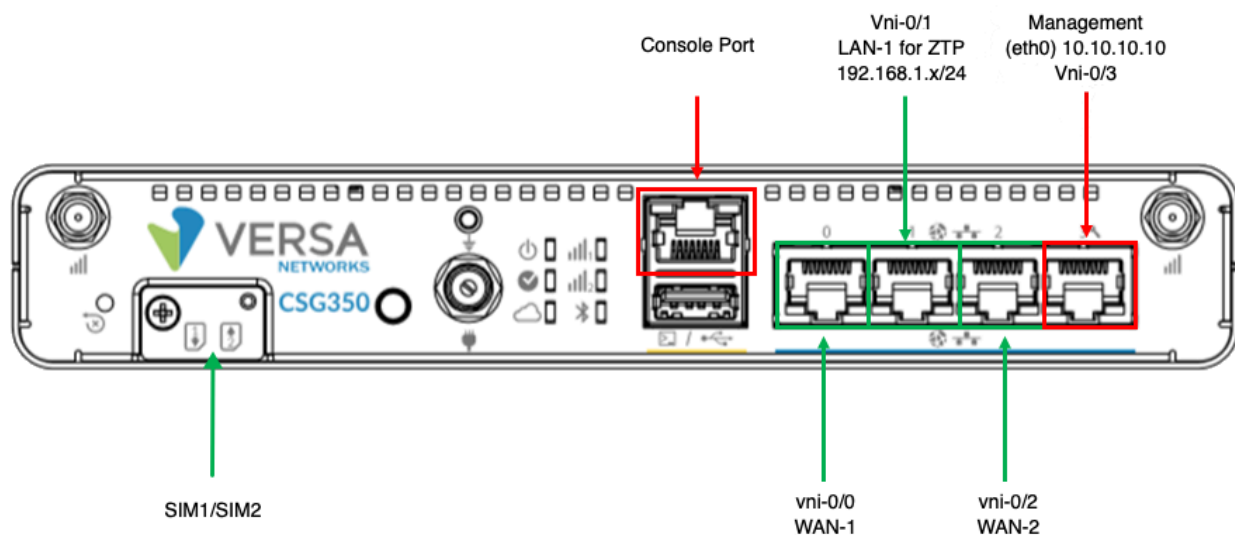

Figure 2 shows port-to-VNI mapping for the CSG355 and CSG365 appliances. Note that the CSG355 and CSG365 chassis are identical.

Figure 2: CSG355 and CSG365 Port-to-VNI Mapping
